t Bitrov Nejtkiv kříž O Konépruská vyhldka O The rural homestead, which has been completely and sensitively reconstructed, enabling comfortable living, is set on the outskirts of a village located in the middle of the beautiful nature of the Czech Karst protected area, only a 15minute drive from Prague and within a short driving distance of everything you need.

The main building is designed as a 3-bedroom space. On the ground floor is a living room, a kitchen with a dining area and access to the **garden**, a bedroom, a bathroom, an entrance hall, and a pantry. In the attic is a bedroom and a gallery used as a study with a children's corner.

During the reconstruction, **natural materials** were sensitively used: large wooden boards, exposed ceiling beams and battens, wooden windows (double-glazed panes) and doors. The **fireplace** creates a cozy atmosphere in the kitchen; heating is provided primarily by a gas boiler. Water comes from the property's own water well (40 m borehole), and it is treated with **a softener**. Waste is diverted to a sump (5 sq. m.), and the connection to the municipal water supply and sewerage system is in preparation. The house also includes a **terrace** and a **barn**, ideal for a further expansion of the house, for example, with additional rooms or a wellness area, as a summer kitchen, or for additional parking. A **cellar** (5.72 sq. m.) is under the house. The corner plot with an enclosed garden guarantees **perfect privacy**.

The homestead is part of a small peaceful village near the **Czech Karst protected landscape area**. The **Koněpruské caves**, a flooded quarry suitable for swimming, and many natural monuments are nearby. Complete civic amenities can be foung in nearby Králův Dvůr and Beroun; the drive to Prague is quick thanks to the nearby access to the D5 highway.
