A great offer of a multi-generational family house with a large garden, pond, double garage, and separate apartment unit in the peaceful village of Vážany, just a few minutes' drive from the D1 highway. Its strategic location allows for daily commuting to Brno, Prostějov, and Kroměříž — approximately 30 minutes by car.

The house consists of two above-ground floors. On the ground floor, there is a spacious living room with a **fireplace**, a dining area, a kitchen, and access to a **terrace** covered by a pergola. There is also a large **pantry**, a laundry room equipped with a water softener, a bathroom, a toilet, an entrance hall, and access to the **double garage**, which also has access to the garden. Upstairs, there is a master bedroom with a walk-in closet, two additional bedrooms, a bathroom, and a **separate apartment unit with a 1-bedroom layout** and its own energy meters.

The enormous garden, with an area of over 3,300 m², is a peaceful oasis with an ornamental pond and pool connected by a stream, a **swimming pool** measuring 7 × 3.5 m with salt water and a counter-current system, and beautiful park landscaping with a variety of trees. The property also includes a second building, a so-called “black kitchen” with a water supply, a **wine cellar** embedded in the garden, a separate garage for another 2 cars, and a paved parking area.

The house is equipped with plastic double-glazed windows, insect screens, cherry wood floors, a solid illuminated staircase, a Koryna kitchen with **Miele** appliances, solar panels for water heating, **air-conditioning** on the upper floor, and a security and camera system. The property has 2 wells used for irrigation and toilet flushing.

The village of Vážany has an exceptional location – it lies exactly halfway between Brno, Prostějov, and Kroměříž, and only 5 km from the D1 highway exit. At the same time, it is a quiet place without transit traffic, ideal for **family living**. About 100 m from the house is a kindergarten; the village also has a grocery store, a restaurant, and a park with a children's playground. In the neighboring village, there is a small elementary school; other schools and civic amenities are in **Vyškov**, which is also accessible by bus.

Usable area of the house: 435 m² (including a 26 m² terrace, 78 m² garage, and 15 m² cellar), built-up area 904 m², second garage 80 m², usable area of the second building 190 m², garden 3,345 m², plot 4,806 m².
