This studio, southwest-facing, air-conditioned studio unit is located on the 1st floor of the Nová Myslivna residential project. This premium project with a wellness and fitness zone, a reception, and a garden in the courtyard offers a completely new style of living that contributes to the harmony of both body and soul. Adding to all its advantages is the location in a quiet place in the middle of the Masaryk Grove forest park.

The floor area of the unit will consist of a living room with a kitchen, a bathroom (with a shower and toilet), and an entrance hall.

The high-standard facilities include **wooden floors** made of oiled oak, 2.1 m high rebateless doors, aluminum windows with **insulating triple glazing** and electrically controlled exterior blinds, a **premium kitchen fully equipped with appliances**, large-format ceramic floor and wall tiles, brand-name sanitary ware and faucets, and a smart home system controlling, among other things, **cooling, and underfloor heating**. The building uses sustainable technologies to reduce energy consumption (heat pumps, photovoltaic panels). Other benefits include a daytime reception, a relaxation zone with a **swimming pool, several saunas and a gym**, a stroller room, or a room for washing bikes or dogs.

The apartment building will be surrounded by **greenery with water features and park landscaping**, which will naturally connect to the surrounding forest, inviting for walks and bike trips. A **restaurant with impressive views of the city** and the 50-kilometer wine paradise of Pálava will operate directly in the building. A short distance from the residence there will be a bus stop with fast connections to the city center, about 15 minutes by car or bus to **Campus Square shopping center** and 15 minutes to the city center.

Floor area 35.85 m².

Expected completion date is Q4 2026.

* Area of the unit according to the Civil Code. The area consists of the sum total area of the entire unit bounded by perimeter walls.
