Apartment Two-bedroom (3+kk)

€ 1 157 330 | CZK 28 499 240

94 m², Prague 2, Vinohrady, Římská

Total area	101 m²
Floor area*	94 m²
Loggia	7 m²
Parking	-
Cellar	Yes
PENB	G
Reference number	106060

This air-conditioned apartment with high ceilings and a loggia facing a quiet green courtyard is part of a boutique residence that allows you to live in an Art Nouveau setting and at the same time enjoy modern comforts. All at a great address in the wider city center in Vinohrady.

The layout of the 4th floor apartment offers a living room with a preparation for a kitchen, a master bedroom with an en-suite bathroom and loggia, a second bedroom, a bathroom, a separate toilet, and an entrance hall. The master bedroom with a loggia faces south towards the green courtyard, while the living room and second bedroom are north-facing towards the one-way street.

Casement windows, replicas of the original paneled doors, or decorative stucco reflect the history of the building, and modern elements include Frevini parquet floors in a chevron pattern, large-format floor and wall tiles by the Fondovalle Italian brand, or Treemme designer bathroom faucets in a bronze shade. Air-conditioning will ensure an optimal temperature even on hot days, and the building's gas boiler will take care of heating. The apartment comes with a cellar storage unit. The house has elegant common areas and a modern elevator, and there are only 2 apartments on each floor.

Cafes, restaurants, shops, private kindergartens, elementary, secondary, and high schools, the Na Vinohrady Theater, or the U Hasičů Theater operate in the immediate vicinity. Excellent transport accessibility is provided by the A line metro with a station only a few minutes' walk away, and tram stops are just as close. The beautifully landscaped Riegrový Sady or the nearby romantic Havlíčkovy Sady parks serve as an escape from the hustle and bustle of the city.

Floor area 94.1 m², loggia 6.6 m².

For more information, please visit the project website www.rimska34.cz.

* Size of the unit according to the Housing Act.
The area consists of the sum total of the internal area of every room.
