This airy 3-bedroom apartment in the prestigious Eurovea Riverside project on the Danube embankment offers comfortable living with a terrace and unobstructed views of the river. The apartment comes with a spacious cellar and a parking space in the basement of the building.

The layout of the apartment begins with a spacious entrance hall with plenty of storage space. The social area consists of an airy living room with a kitchen with an access to the **terrace** with magnificent **views of the Danube River**. The second part of the apartment - the night part - consists of three bedrooms, each of which has access to a **terrace** facing a quiet courtyard. The main bedroom also has an en-suite bathroom with a preparation for a shower and toilet. The apartment also has another bathroom with a preparation for a bathtub and toilet, a separate walk-in **wardrobe**, and a guest toilet in the hallway.

The apartment is sold in a rough-in stage. Facilities include fire safety doors, **triple-glazed aluminum windows**, a recovery system, a video doorman, **heating and cooling control in each room**, or wiring for Internet and TV in each room. The apartment is located on the 3rd floor of a residential building with an elevator.

It is possible to purchase a **cellar storage unit** and up to **4 parking spaces** in the building's garage.

This popular residential location is close to the city center and provides a full range of amenities including educational and medical facilities and a wealth of sports opportunities as well as quick accessibility by car and public transport. The project includes all kinds of shops, organic grocery stores, a supermarket, a fitness center, massage services, cinemas, popular restaurants, cafes, and more. A pleasant location with walking access to the historic city center, perfect for romantic evening walks along the popular **Danube promenade**.

Interior 141 m², terrace 36 m², loggia 18 m², cellar 8 m².

* Area of the unit according to the Civil Code. The area consists of the sum total area of the entire unit bounded by perimeter walls.
