Reference number	106502

An offer of an industrial complex with its own energy center in the southern part of Znojmo, near the Austrian border. A significant portion of the buildings is leased for production or storage purposes. The complex is easily accessible for freight vehicles and is located near highways E53/E59 and a freight railway station.

Key investment criteria:

- **multi-functional area** for production, storage, and business purposes with its own energy center, offices, canteen, and gatehouse
- it is accessible via a **paved road** and connected to all **utility networks**
- the complex includes several separate buildings, **regularly maintained**, aged 6-49 years
- outdoor **parking area**
- convenient location in the industrial part of **Znojmo**, 52 km southwest of **Brno**, 10 km from the border with **Austria**

Property description:

- **001 Production building**
 - 5 floors, **total area of 13,423 m²**
 - floor construction height: ground floor 4.17 m, 1st-3rd floors 6.60 m, 4th floor 6.9 m
 - floors: concrete in the production area, ceramic and PVC in the hygienic area
 - equipment: **4 freight elevators** and a passenger elevator, sanitary facilities and changing rooms, heating with a steam and hot water system
 - use: **workshop and machine rooms**, storage rooms on the ground floor
 - **leased until 9/30/2026**
- **002 and 003 Administrative building and wholesale**
 - ground floor part in the shape of the U letter, connected to the high-rise building, **total area of 2,720 m²**
 - structural height of floors: 1st underground floor 4.80 m, ground floor 4.10 m, 1st-3rd floors 3.3 m, 4th floor 3.6 m, 5th floor 4.1 m, 6th floor 1.85 m
 - equipment: passenger elevator with a load capacity of 500 kg, entrance hall with a concierge and visitor's room, areas for relaxation and gathering, sanitary facilities
