Commercial space with excellent accessibility, modern standards, and the possibility of customizing the layout in an elegant office building near the busy Račianska - Pionierska intersection. The location is perfectly connected to the direction Pezinok - Svätý Jur - Rača and at the same time easily accessible from the center of Bratislava. Available 11/25.

Layout and flexibility

The business premises are divided into two separate units, which are further divided into modules. The basic building element of the lease is a module with an area of approximately 90 m² (approx. 15 × 6 m). The layout (partition layout) can be adapted to your requirements - we provide flexible, tailor-made solutions. A share of the common areas and a 3% add-on are added to the total area of the rented space.

Facilities of the commercial space:

Floor – tiles
 SDK ceiling
 Ceiling lights
 Basic electrical wiring
 Painting of perimeter walls
 Fancoil units (cooling/heating)

The premises don't include their own facilities, toilets, or other structural alterations. These can be found in the common areas or by individual agreement.
