Western Penthouse

This unique penthouse with a 360° rooftop terrace with a private pool takes up the top 3 floors of the western tower of V TOWER, Prague, the tallest residential building in the Czech Republic.

This three-story penthouse with a **total floor area of 597.1 sq. m.** boasts an airy layout, logically separating the private from the day zone. On the 28th floor, there is an entrance hall with a **private elevator** that stops at all three levels, an impressive staircase leading to the next floor, 3 bedrooms with en-suite bathrooms (2 with walk-in closets), a closet, and 2 terraces. Upstairs, there is a generous living space with access to a small terrace, and an adjoining kitchen and dining room connected to the 50-meter south-facing terrace. On the same floor, there is a study, a bathroom, 2 closets, and a separate toilet. The third floor of the penthouse, with an outdoor staircase as well as an elevator, includes an **over-170 sq. m. rooftop terrace with a stainless steel pool** and unobstructed views of Prague and its surroundings.

A feeling of complete freedom and privacy is guaranteed not only by its elevated location of 266 meters above sea level, but also by its **high-standard noise-reducing walls** and high-quality noise control measures built into the façade. Clean air and a comfortable temperature are guaranteed by an air exchange system and **state-of-the-art natural air conditioning**. Large-format windows provide plenty of daylight and panoramic views of the city. In addition, thanks to the building's unique design, each room has access to a balcony or terrace. To ensure the comfort of its residents, the apartment is fully furnished with pieces by the traditional Italian **Molteni** brand, which has been making high-quality furniture since 1934.

V TOWER, Prague offers the same superior level of comfort as Manhattan and London luxury skyscrapers. Residents will be able to enjoy a wide range of high-level services, including a 24hr reception and technical management, **concierge services**, a spa and wellness area, a gym, a **private cinema with a DOLBY Atmos audio system**, and much more. The penthouse comes with a **private garage for 4 full-size cars, 1 separate parking space, and 1 electric car charging station**. The entire building boasts first-class technologies and materials. Designed by experts from all around the world, this V-shaped architectural landmark is a celebrated addition to the Prague skyline.

Total area 339.4 m², terraces 257.7 m².
