This high-standard apartment with a loggia, a balcony, and a garage parking space is part of a new energy-efficient residential project located in a nice place in "old" Braník, providing a cozy atmosphere and a complete infrastructure.

The practical layout of the 2nd floor apartment consists of a spacious living room with an open plan kitchen and a **sunny balcony** facing the **greenery**, as well as 2 bedrooms with access to a **large loggia**, a bathroom, a separate toilet, a closet, an foyer, and a hallway.

The high-standard facilities include **wooden floors**, plastic windows with thermally insulating triple glazing and a preparation for exterior blinds, **recuperation**, **underfloor heating** (heat source is the central domestic gas boiler), balcony and loggia lighting, home **video intercom**, entrance fireproof and security doors, data and STA socket in all rooms, smoke detector, **Laufen** sanitary ware, and a preparation for an intelligent home system. The apartment is equipped with a new **designer kitchen unit made to measure with Franke appliances and a wine fridge**. The purchase price includes **1 garage space and a cellar storage unit**. The energy class B building has an **elevator** and is guarded by a camera system.

A nice location with **plenty of greenery** is within easy reach of everything you need. Within walking distance is a kindergarten and elementary school, a supermarket, a pharmacy, a post office, a restaurant, a cafe, and **several sports grounds** (football and baseball fields, volleyball and tennis courts, a Sokol gym, a dance conservatory, or a **bike path** along the Vltava River). Transport connections to metro stations are provided by buses, and a tram stop is a 2-minute bus ride away. By car, you can easily drive to the City and Prague Ring Roads.

Floor area 101.1 m², loggia 13.7 m², balcony 8.5 m², cellar 6.4 m².

In addition to regular property viewings, we also offer real-time video viewings via WhatsApp, FaceTime, Messenger, Skype, and other apps.

* Area of the unit according to the Civil Code. The area consists of the sum total area of the entire unit bounded by perimeter walls.
